The Start-Up Office Koblenz is a partner in the Start-Up League.

The aim of the Start-up League is to bring founders & people interested in founding a company and local players together. Our goal is to support and promote the start-up scene.

The Start-Up Office Koblenz is a partner in Ideenwald Crowdfunding.

The **IDEENWALD Crowdfunding** Network for Rhineland-Pfalz & Saarland was initiated by the Kaiserslautern Startup Office. In cooperation with the Start-Up offices of both states, a dedicated crowdfunding platform (as a regional branch of Startnext) was opened, on which crowdfunding campaigns from both states are presented.

The Start-Up Office Koblenz provides support with the application process of EXIST Grants.

EXIST - Gründerstipendium supports students, graduates and scientists from universities and non-university research institutions who are interested in founding a company.
